**THE REPORT OF
THE VICTORIA MEMORIAL SCHOOL FOR THE BLIND,
BOMBAY.**

For The Year Ending 31st March 1958.

In Memorium:—

In presenting the report on the working of the Victoria Memorial School for the Blind for the 56th year ended with the 31st March 1958, I am sorry to begin it on a sad note.

Last year in mid-January the School had the misfortune to lose one of its Vice-Chairmen and Trustees in the sudden passing away of Sir Jamshedji N. Duggan. Hardly had six months elapsed when the School had not still got over this unhappy event, a second tragedy occurred in the death of its another veteran and revered worker Diwan Bahadur Krishnalal Mohanal Jhaveri, M.A., LL.B., who devotedly worked for the School for twenty-two long years as its Member, Trustee and Vice-Chairman. The Committee of Management held a condolence meeting on the 20th June 1957 at which it placed on record its grief at the heavy loss it had suffered and its appreciation of the valuable service and guidance given to the School by late Diwan Bahadur Jhaveri.

The members of the staff and the students held their own condolence meeting earlier.

Late Diwan Bahadur was associated with a number of other well-known educational and cultural organisations and a Public Condolence Meeting of twenty-nine Trusts and Institutions was convened on 30-6-1958 at the Bharatiya Vidya Bhavan under the Chairmanship of Shri K. M. Munshi. The School was also represented at this Meeting.

The two grievous losses the School has suffered within six months' time have deprived it of the matured experience of two of its veteran workers whose contribution to the progress of the School is the only monument left behind to keep their memories alive.

Before the year ran out the School learned with regret the news of the passing away of Shri Magulal J. Shah, former employee at the School in charge of the Physiotherapy Centre, and of Shri Rustom Readymoney, who had established a small sandalwood business after completing his course at the School. Our sympathies are with the young widow, children and the aged mother of late Shri Shah, and with the parents of Shri Readymoney in their sad bereavements.

School's Progress:—

In the planned progress of the country, the School is continuing to get valuable financial assistance from the Central Social Welfare Board which enables it to chalk out its own programme of developmental activities. The School started in 1902, is going ahead with its expansion projects particularly so during the last decade. This is primarily in the direction of raising the status of the School to a high school for which it is felt that the vocational section of the School is now divorced from the literary department.

The first step towards this has been taken by the School as a result of the proposed grant of Rs. 30,000/- from the Central Social Welfare Board to it for the Second Five-Year Plan period ending 1962, by undertaking to construct a three-room block at a total cost of about Rs. 32,000/- to which it is intended to shift the carpentry, the cane-work and the music sections. This will facilitate to some extent greater accommodation on the main school premises for literary classes and dormitories as the number of students is increasing every year. The total programme under the Second Five-Year Plan will be for Rs. 45,000/- as the School is required to add as its own share Rs. 15,000/- to the C.S.W.B.'s contribution of Rs. 30,000/-.

School's Commitments:—

With the increase in the number of students, the School's expenses have also gone high and it may not be wrong to forecast that in the year succeeding the one under review, the School is likely to face financial difficulties in view of its various important commitments.

During the year the School had to be re-coated after a lapse of over 10 years with white-wash and oil-paint which with certain unavoidable repairs has cost the School over Rs. 15,000/-. In the forthcoming year the staff will have to be increased and more class-room and dormitory furniture furnished to cope with the larger in-take of students.

The School relies on the generosity of many of its sympathisers and philanthropists to give substantial financial help to the Institution so that it realises its aim of providing better educational, vocational and residential facilities to the students.

Education:—

The School has at present literary classes upto the middle-school standard. Instruction is imparted through the Bharati Braille in Gujarati and Marathi upto the VIII form including the Primary Class. Some of our students have taken courses in Hindi in voluntary classes provided for the purpose in the neighbourhood and have passed the examinations with credit.

The classes from Primer to Standard IV were examined by outside examiners in conjunction with Kumari Kapila Khandvala, Education Officer, Municipality of Bombay, who deputed Smt. B. N. Cama and Shri P. D. Nandgaokar to conduct the examinations. The Institution is grateful to all of them for their kind co-operation and free service.

For the Standard V we provided writers from outside and we take this opportunity to thank all those volunteers who spared their busy time to work as writers.

School's Inspection:—

The inspection of the School on behalf of the Education Department, Government of Bombay, was carried out on the 29th July 1957. The Report of the Inspector speaks favourably of the working of the School.

Tables

The Class-wise distribution of the students is given below:—

Standard	No. of pupils		Total
	Gujerati	Marathi	
Primer	11	14	25
I	8	6	14
II	5	8	13
III	2	9	11
IV	9	4	13
V	10	7	17
VI	4	—	4
VII	3	1	4
Handicrafts:	2	1	3
Massage:	6	—	6
	60	50	110

From the very beginning the School has been cosmopolitan in nature admitting students irrespective of caste, colour and creed. The three girl students admitted as day scholars have continued to be with us and shown remarkable progress in their studies.

The following table shows the distribution of the students community-wise:—

Hindus (all castes)	87
Jains	9
Parsees	9
Mahommedans	1
Christians	3
Jewish	1
TOTAL ..				<hr/> 110 <hr/>

Health:—

The serious epidemic of flu left the School unaffected except for slight colds in the cases of a few students which were soon set right. This has therefore not marred the students' attendance in the School. Out of the total number of 110 on the roll on the 31st March 1958, of whom 94 were boarders, the average daily attendance stood at 96.3 while the average monthly attendance registered the figure of 107. The actual number present on the last day of the budget year was also 107.

Vocations:—

The School's Vocational Section is fast growing, especially the old chair caning and the newly started carpentry departments. We have as usual succeeded in securing this year government orders for both the departments and the Western Railways, Parel and Mahaluxmi, have renewed their contracts for the year under report for their caning work with us. Because of this the School has been able to engage some of its ex-students in these departments and it is a satisfaction to note that its important object is being realised thereby to provide remunerative work to the blind. In times to come the carpentry section bids fair to be an important industry for the blind.

The School's third vocation, viz., the Tailoring Department, though producing saleable articles like embroidered cloth bags, pillow cases, table cloth, handkerchiefs, etc., has not yet come to be so developed as to be placed on workshop basis. Still this is gradually taking shape and one may expect that in no distant future this department will find its place with the chair caning and the carpentry sections.

The two upper grade vocations of Music and Physiotherapy are quite in keeping with their traditional usefulness to the intelligent blind with a bent for these difficult subjects. Efforts are being made to get selected boys

admitted to a school of music outside as that is sure to provide ample scope to the young musicians to develop their talents.

School's Orchestra:—

The School's Orchestra had a good run of programmes for all sorts of functions like, Ganesh Chaturthi, Nav Ratri, Wedding Receptions and social events. Some 27 programmes were given including the six in the Municipal Public Gardens.

The School Orchestra was invited to play at Billimora in the first week of March 1958, on the occasion of declaring open the Bust of Seth Purshram Balvant Ganpule, at the site of his Tiles and Pottery Factory. A special pandal, tastefully decorated, was put up and before the function was to start the Orchestra entertained a distinguished gathering. Shri A. D. Shroff, the well-known economist, presided. At the end of the function, the blind students gave a demonstration of some of their activities and there was also a good sale of articles made by them.

Excellent arrangements were made for the students' accommodation. On the night of the 6th March a superb banquet was held when the School was presented with a few handsome donations. The Principal, who had accompanied the music party, expressed his thanks on behalf of the School Committee and the students to Seth Ganpule and others for the invitation to be present at the delightful function and to the various donors for their cash gifts.

The School Orchestra was invited to play among others at the Tipco Industries Plastic Corporation Ltd., Malad, Congress House, Vanita Vishram and the Cricket Club of India. The orchestra was presented with a silver medal for its performance by the New Ful Bazar, Bhuleshwar.

Musical Entertainment:—

The students had a fine musical entertainment on the 12th October 1957, from Smt. Sushila Kulkarni and her classical and light songs drew applause she deserved.

Batches of students had opportunities this year to have a glimpse of Western Music as a result of some complimentary tickets for the American Orchestra at the Eros Theatre, the musical programme by Lili Kraus with the Bombay City Orchestra conducted by Vere de Silva under the auspices of the Time and Talents Club, and the Pantomime "Majic Collar" in aid of the Cheshire Home at Lady Jena Duggan's premises. The Blindmen's Association secured five complimentary tickets for the Gujarati comedy "Kataryu Gap" and the Finance Raising Committee of the National Association for the Blind gave 50 complimentary tickets for the Gujarati Skit "Be Ghadi Moj".

Diwan Bahadur Krishnalal Mohanlal Jhaveri, M.A., LL.B., Vice-Chairman, Trustee and Member of the School's Committee for twenty-two years, passed away on 15-6-1957. He is seen addressing at a social held at the School to felicitate Smt. Sulochana Modi, the first Lady Mayor of Bombay.

DISTINGUISHED VISITOR FROM ABROAD

Mr. Eric T. Boulter was accorded a Reception at the V.M. School for the Blind by the National Association for the Blind. He was the guest of Lady Jena Duggan. Smt. Nirmala Raje Bhonsle, Dy. Minister of Education, presided.

Shri S. K. Patil is seen replying to the felicitation given to him by the School as its Committee member on his becoming the Minister for Communications, Mines and Irrigation in the Union Government. Lady Rama Rau, who welcomed the honourable guest, is on Shri Patil's left.

DISCUSSION CONFERENCE

Mr. John Wilson is addressing the Discussion Conference on the Problems of the Blind and Blindness in Rural Areas organised by the Principal of the School on behalf of the National Association for the Blind at the School premises. Dr. Jivraj N. Mehta, Minister of Finance, presided.

The Institution is grateful to all the persons for their kindness in providing these entertainments to the students free of charge.

The School has engaged from the 1st January 1958, a new music instructor, Shri Rambhau Amuratrao Rawut, Sangit Alankar, in place of the previous teacher who resigned. The School Orchestra is being very ably handled by the new instructor.

Physiotherapy Centre:—

The School's Physiotherapy Centre and Clinic has been registering a steady progress thanks to the services of an expert team of Honorary Medical Staff attached to it. Dr. Doraiswamy was deputed by the National Council on the Education of the Handicapped in the Ministry of Education, Government of India, to see if the Centre could be so expanded as to serve an all-India need under the Scheme No. 6 of the Ministry. Unfortunately, the idea could not be worked up owing to the finances involved. The Centre had also a visit from Shri Sanghavi, Occupational Therapist, Delhi, in October 1957.

The Centre welcomes Smt. Rhoda S. Vakil, M.C.S.P. (Lond.), and Smt. Ruby Reporter, K.E.M. trained physiotherapist, on the Honorary Staff. The Centre has very much been strengthened by the inclusion of these two qualified physiotherapists. The trainees are sure to benefit by the expert coaching at their hands in addition to the efficient training they have been receiving from the other members of the Staff.

During the course of the year at least three more students have been able to find employment as physiotherapists on their completing the course. One of them is attached to the Civil Hospital, Indore, while two others are reported to have opened their own clinic at Porbunder. A complete list of blind physiotherapists in employment is appended to this report.

Dr. J. M. Jussawala, Honorary Director of the Centre, and Dr. S. J. Mehta, i/c of the Anatomy Department of the Podar Hospital, invited the physiotherapy students to visit their Clinic and Anatomy Department respectively to give them a practical idea of the management of the Clinic and the different treatments afforded thereat and of the various muscles and the functions they perform.

Paper Handicraft:—

Paper Handicraft is useful in providing suitable finger-training to students and there is scope for further improving this craft under a crafts instructor. It was not possible to pursue clay modelling and cycle-assembly owing to shortage of staff and space.

Visits:—

The School is gaining wider popularity as may be seen from the increasing number of visits paid to it by the various social organisations and bodies. The Training School for Child Welfare under the Balkan-ji-Bari, the Institute of Social Sciences, the Social Service League, the Bombay School of Social Welfare, students from West Bengal, Assam, Orissa, Kerala, Bihar and Madras in training at the Tata Institute of Social Sciences, Bombay, the Institutes of Social Work, Baroda and Bombay, the Preventive and Social Medicine Medical College, Baroda, the Bombay Branch of the Indian Conference of Social Work, the Gandhi Dhani's Training Institute for Social Work, and the Delhi School of Social Work visited the School and evinced a keen interest in its activities. Visits were also made by the students of the Margaret Teachers' Training College, the Teachers' Academy, the B.T. and M.Ed. Department of the S. N. D. Thackersey College for Women and a few high schools. An interesting visit was from the students of the Deaf and Dumb Institute, Mazagaon, which was returned by the senior students of our School and the members of our staff. This exchange of visits gave the two differently handicapped groups an insight into each other's affliction and the methods of their education.

The Institution was very much happy to have girl students from the newly started School for the Blind, Ahmedabad, who were on a tour to Bombay, to be its guests on the 20th March 1958. The occasion was celebrated by a joint programme of entertainment by the two Schools followed by a dinner to the visitors. The School Bus was placed at the disposal of the visiting party when required.

Visitors:—

No less important were the individual visits made by all interested in blind welfare work. Starting from June 1957, a pleasant function was held at the School under the auspices of the National Association for the Blind in honour of Mr. Eric T. Boulter, Secretary-General of the World Council for the Welfare of the Blind and Field Director of the American Foundation for Overseas Blind, New York, and presided over by Smt. Nirmala Raje Bhosle, Deputy Minister of Education, Government of Bombay. A Scroll of Honour read out by Lady Duggan was presented to the distinguished guest by the lady Minister.

Shri K. C. Srivasta, Principal of the Deaf and Dumb Institute, Gorakhpur, U.P., attended the School for about two weeks for an intensive training in the method of educating blind children. Smt. Roda Mistry, Chairman, Working Committee of the Disabled Centre, Hyderabad, Andhra Pradesh, Shri John Barnabass, Social Service Organiser, Eutopia, and Shri Bhikhalal C. Shah, Honorary Secretary, Andh Sarvodaya Mandal, Saurashtra, also visited the School.

Among the other distinguished foreign visitors were Miss E. M. Stevenson, Australia, accompanied by Miss B. Gaukroger, Head of the Blind School, Ranchi, and Kumari Vinodaben, Superintendent of the Ahmedabad School for Blind Girls, Mr. Kingsley Dassanaik, Principal of the School for the Blind, Ceylon, who was also a guest of the Principal during his brief halt in Bombay; Mr. Hugh H. Jeffrey, Director of Music, St. Paul's School for the Blind, Victoria, Australia and Mrs. Jeffreys; Major D. R. Bridges, Secretary-General, the Malayan Association for the Blind, Kuala Lumpur; Sister Mary Agnes Chung, on her way to Hong Kong after successfully going through the College of Teachers' Examination, England; and Mr. John Wilson, Director of the Royal Commonwealth Society for the Blind, London, and Mrs. Wilson.

Discussion Conference:—

During the time of Mr. Wilson's visit an important Discussion Conference was organised by the National Association for the Blind at the school premises on the problem of "Rural Welfare of the Blind". A Scheme to that effect was prepared by the Principal of the School. Dr. Jivraj N. Mehta, Bombay's Minister of Finance, presided. The Conference was addressed by Dr. V. K. Chitnis, D.O. (Oxon.), on the Preventive and Curative problem in villages, seconded by Dr. (Major) N. P. Billimoria, and the Principal of the School on the organisation of Rural Education and Welfare Services, seconded by Shri Rajendra T. Vyas. Mr. Wilson also addressed the Conference and two Resolutions were then adopted on the two aspects of the discussion.

At the end of the Conference, Mr. and Mrs. Wilson inspected the various sections of the School and Mrs. Wilson stayed on to make a photographic record of the School's activities.

It may be stated that Mr. Boulter and Mr. and Mrs. Wilson were the guests of Lady Duggan, the Vice-Chairman of the School, during their stay in Bombay.

Scouting:—

Our Scout Troop has continued to be active in more than one direction. The size of the Troop has increased evidently because of an infection of interest in its movement by the previous non-scouters. This year the starting of "cubism" for the blind tots is discussed openly and perhaps may become a fulfilled wish in a year or so.

Apart from the campaigns and picnics our Scouters had at the Vihar and the Powai Lakes, the National Park and the Aarey Milk Colony, the Troop received a visit from Mr. Godfrey Stevens, Organising Commissioner for Scouts, while on his way to Borneo, accompanied by Dr. (Major) N. P.

Billimoria, who has been taking great interest in scouting for the Physically Handicapped. Mr. Stevens congratulated the blind scouts who demonstrated before him tent-pitching.

The Girl-Guides of the 13th Troop of the Jeejeebhai Dadabhai High School arranged at this School a "Good Turn" function with games and some sweets at the end. We are thankful to them in our own turn.

The School's Scouts presented themselves at the Rally at the St. X'aviers High School Grounds on the 2nd February 1958, when the Governor of Bombay, Shri Sri Prakasa, was present.

The Scouts and the School owe a special word of thanks to Shri Mahiar K. Panthaky of the School Bus Service, for lending his bus entirely free of charge several times for campings and picnics.

Charity Show:—

On the 13th March 1958, a Film Charity Show was organised at the Aurora Theatre, King's Circle, Matunga, in aid of the School by Shri Madanlal T. Shah. Columbia's Superb picture "The Story of Esther Costello" was exhibited and the Show brought in a handsome amount to the funds of the School.

The School's most grateful thanks are due to Shri Madanlal T. Shah, Managing Director, Ruperistan Ltd., for organising the Show so successfully, the Management of the Aurora Talkies for making their theatre available free of charge and the Columbia Films of India (Private) Ltd., for permission to exhibit the picture in aid of the School.

Sixth Prize Distribution:—

The School's very popular Annual Prize Distribution was held at the premises on the 1st March 1958, presided over by the Governor of Bombay, Shri Sri Prakasa. The Hindi Skit "Manav Dharma" Fancy Dress Competition, 'Chapatti' making by the Scouts, P. T. and other items proved of high entertainment value. Keshavlal Makwana and Babu Jantre carried away championship cups. For the Inter-Patrol competitions for the Scouts the Sardar Patrol carried away the Championship Cup and the Subash Patrol won the Runners-up Cup.

The School is able to hold its annual Prize Distribution because of the continued help it receives every year of Rs. 250/- from the India Cotton Supplies Ltd. through Shri Varjivandas Motilal Saraiya. The Institution is indebted to them for this generous help.

The Governor of Bombay, Shri Sri Prakasa, who kindly distributed the prizes, sent his own blessings and a handsome contribution of Rs. 250/- to

the Institution. For all this the School Committee and the students are most grateful to him.

The chairs for the function and dresses for the Fancy Dress Competition were as usual supplied free of charge by Messrs. Rabadi & Sons and Maganlal Dresswalla, Bhuleshwar, for which the School Management is so thankful to them.

Second Blind Week:—

The National Association for the Blind in conjunction with its Finance Raising Committee organised the Second Blind Week in Bombay from the 1st November 1957. The Organising Secretary was Capt. H. J. M. Desai. The Week was inaugurated by Sir Homi Mody. Shri S. K. Patil also addressed the large gathering of the blind and their well-wishers assembled at the Sir C. J. Hall. The Hall's spacious corridor was used for an exhibition of blind crafts and demonstrations and this was responsible for attracting crowds, whose interest was evidently aroused in the problem of the sightless community. In fact the whole week made Bombayites 'Blind' conscious and the cause received not only wide publicity but handsome donations for which Smt. Queenie H. C. Captain, Lady Jena Duggan and their numerous co-workers deserve heartiest thanks from all concerned.

The School took an active part in the week's various activities like Elocution Competition, Inter-School Sports, Sangit Sammelan and Variety Entertainment by the blind. A good many prizes were won by our students in those items.

The School intends to record its sincerest thanks to all who worked so hard and ably to make the Second Blind Week such a resounding success.

Finance Raising Committee:—

The Institution's special thanks are due to the Finance Raising Committee (F.R.C.) of the National Association for the Blind whose organised money-raising efforts have resulted in profiting not only the National Association for the Blind but also the schools and the industrial homes for the blind in Greater Bombay. Early in the year the institutions received gifts of cloth which the F.R.C. by its appeal to Mill Owners was able to collect. On the 21st September 1957, each Institution again in Greater Bombay was distributed Rs. 3,500/-. The F.R.C.'s efforts, to say the least, are noteworthy and this School expresses its gratitude to it for the splendid service it is rendering. The F.R.C. intends to get in larger donations for the institutions in subsequent years and there is no doubt about this looking to the organising ability of Smt. Queenie H. C. Captain, F.R.C.'s Chairman, and her energetic assistants in this field of work.

School Examinations:—

The School holds two major examinations in a year and reports on the progress of the students are sent out to the parents. Over and above this Weekly Tests are also held and results maintained in a register.

From the year 1957-58, a more or less detailed record is being kept of each individual student's behaviour, etc., in forms specially prepared for the purpose. The forms when completed are revealing of many factors in the social behaviour, mental equipment, parental influence, home environment, etc., of each student. Such data assembled after discussions with the various members of the staff will in the long run prove of concrete use in locating trouble-spots in each child's behaviour and emotional set-up and in specialising him in some field of activity which may ultimately lead him to find his feet in maintaining himself.

Employment:—

The School acknowledges the sound principle of having some organised after-care service for the students who complete their training. It has not been able to achieve its object mainly because of the financial set-back.

In spite of that it has always endeavoured to place suitable students in jobs for which they are found fit. Conditions generally in our country are difficult for employment and the School is aware of the short-comings in the absence of a regularised after-care service for its blind in face of such difficulties. In spite of that during the year under report two boys were placed in Textile Mills. The School also helped three of its students to find employment in physiotherapy—one in Civil Hospital, Indore, and two at Porbunder to start their own clinic. One boy is now more or less permanently employed for carpentry work at the School. Some six students continue to work with the chair caning department. One other of the ex-students was found employment in a local institution for the blind. Our efforts continue in this direction and we hope to improve upon our results in the succeeding years.

Shri S. K. Patil:—

Shri S. K. Patil, one of the staunch supporters of the cause of the blind, and a member of our School Committee of Management, was the guest of honour on Saturday, the 7th of December, 1957 at a Reception in his honour on his being appointed Minister for Communications, Mines and Irrigation in the Central Government, New Delhi. Lady Rama Rau, a champion of women's cause and a member of the School's Committee who presided, welcomed Shri Patil on behalf of the School's Committee and commended Shri Patil's work in varied fields, and his great zeal in supporting the cause of

the blind. Shri Patil made an excellent reply and appealed to the ever generous public of Bombay to donate liberally to the funds of the School. The happy meeting ended after the refreshments.

International Conference — Oslo:—

In August 1957 was held the Second Quinquennial International Conference of Educators of Blind Youth at Oslo, Norway. The Principal of the School attended this Conference as an Indian delegate. He also represented India on the Standing Committee for Far East, South and South-East Asia Affairs in the World Council for the Welfare of the Blind in place of Shri R. M. Alpaiwala, President of the National Association for the Blind, whose weak health prohibited him from making a long journey. Shri Jussawala acted as Recording Secretary for the first meeting of this Standing Committee.

Both the Conference and the Far East Standing Committee Meeting held important discussions on the problems affecting the education of the blind and the Asian blind in general, and came to useful conclusions on the respective subjects the fulfilment of which is sure to further the educational benefits to the blind and to improve conditions for the Asian blind.

The delegate from Ghana, Mr. Alex Amaoko, and the Principal of the School were asked to address delegates and observers from different countries on the conditions they were facing with regard to their blind when the Conference was discussing "Blind Children in Rural Communities".

The Principal of the School was elected on the Nominations Committee and then on the new Executive Committee of the International Conference for the next five years to represent India.

The Conference was held at the Huseby Off. School for the Blind and Mr. Mokolby, the Principal, was the official host to the Conference.

Sample Survey:—

In May 1957, the All-India Occupational Therapists' Association held Sample Survey of Handicapped Persons in Bombay City on behalf of the Ministry of Education, Government of India. The Survey Clinic was temporarily put up at the K.E.M. Hospital, Parel, and the Survey was organised by Smt. K. Nimbker. The Principal of the School was invited to work for the Sample Survey for the blind.

Braille Publication Advisory Committee:—

Late in June 1957, the Ministry of Education in the Union Government appointed a small Advisory Committee for printing of Braille Books at their Central Braille Press, Dehra Dun, on which the School's Principal was also appointed.

Inspection of Schools, Rajasthan:—

The two Government Schools for the Blind in Jaipur and Ajmer, Rajasthan, were inspected by the Principal in April 1957, at the request of the Government of Rajasthan. Reports on the inspection were later submitted. A Scheme on a new school for the blind proposed to be started at Udaipur was also forwarded for the consideration of the Education Department of Rajasthan.

Publicity:—

The School's work has received a good deal of publicity during the course of the year. The School participated in an Exhibition organised on the 14th November which is Pandit Nehru's birthday and a day devoted for children's programmes throughout the country.

The School is thankful to Smt. Bhadra Desai, an active social worker, for taking interest in the students of the School some of whom she personally interviewed. She published thereafter her interview in a leading paper.

Similar publicity was given to the School by others in some of the vernacular dailies. The Press likewise has always been extremely co-operative in giving wide publicity to the important functions held by the School and the students from time to time.

Publications:—

The School subscribes to some of the foreign magazines like "The New Beacon" and receives gratis copies of "The Lantern", "The St. Dunstan's", the "Bulletin on Blindness" from the Malayan Association for the Blind, the C.C.B. Outlook (Canada), the "Reporter", published by the Industrial Home for the Blind, Brooklyn, the "Social Welfare", from Delhi, and several other Journals and Magazines in English and Vernaculars.

"The Weekly News", "Jack and Jill", "Life and Health", the "Wee Wisdom", "The Youth", etc., in Braille, are received free from abroad.

Free Service:—

The School receives valuable help in its work from several persons who take an active interest in the children and are devoting their spare time to conduct honorary classes. The names of all our honorary workers appear in the beginning of our report. To all of them and to Dr. V. K. Chitnis, D.O. (Oxon), and Dr. Pesi F. Billimoria, M.B.B.S., are due our special thanks for the assistance, voluntarily rendered.

Thanks: I beg to take this opportunity of tendering my Committee's most cordial thanks to all the donors and well wishers of the Institution for their very valuable help to it in cash or otherwise, more particularly to the following donors:

SECOND BLIND WEEK

The Second Blind Week, organised by the National Association for the Blind, commenced from the 1st November 1958. Shri R. M. Alpaiwala, President, is addressing the gathering on the Inauguration of the Week. All the Bombay institutions participated in the Week's activities.

FANCY DRESS

This item in our Annual Prize Distribution has always evoked laughter as the faces among the audience betray.

A Hindi Skit, "Manava Dharma", written and staged by the students of the School, on the occasion of the Sixth Prize Distribution held on the 1st March 1958, proved the most enjoyable item. Shri Sri Prakasa, Governor of Bombay (in white cap) presided. On the Governor's right is Lady Jena Duggan and on his left Shri M. D. Bhat, Vice-chairmen of the School. Shri V. M. Saraiya, whose annual contribution of Rs. 250 makes this function possible, is on Lady Duggan's right.

"CHAPATI" COMPETITION

The Blind with Education
and Training are able to live
a useful life.

Your every Rupee given to
us will mean the salvation of the
Blind from Liability to Asset.

Remember: Even the Blind
can be contributory members
of Society.

But they need your
Support.

" Some Stray Thoughts On Life "

By

Mr. Jamshed R. Batliboi, F.C.A.

It shows you—

How to lead a life of selfless service

How to be happy and contented with your lot

How to be sympathetic with all around you

&

How to attain real serenity of mind.

A book that every family should possess.

A gift for any occasion.

THE ENTIRE SALE PROCEEDS OF THE SECOND EDITION OF
4,000 COPIES (WITHOUT DEDUCTION OF COST) WILL GO TO THE
VICTORIA MEMORIAL SCHOOL FOR THE BLIND, TARDEO.

THE FASTEST "SELLER"
